

## (Newsletter – Mar 2021)

### 1. From Joint Secretary's Desk (*Mr. Naresh Sharma*)

Greetings everyone!

SECURITY is primary reason as to why residents opt for staying in gated colony. Recently, we had three major security incidents in our society. First where a resident was thrashed by three outsiders who came in Scorpio; second where a person rammed into barricade while exiting society early morning & third where CID raided EWS quarters to catch criminals.

Well, it is not that our security failed, it did well in the circumstances, but question is how do we strengthen our security further? Some of the measures being undertaken -

1. Under the supervision of Mr. Sahu ji (SWA President), security team has held meetings & is still meeting with Sentinel, JLL, CH & RPS. We might see some changes at Gate-1 & Gate-4 to strengthen security. I thank Mr. Arvind Tiwari & Mr. Gaurav Bajpai for spearheading these changes along with other team members. Boundary of Savana is also being discussed with RPS. We are seeing influx of people via Gate-1, intending to use central mall & Palms drive.
2. Tenant guidelines has been rolled out recently which is helping us manage tenants' details in better way now. While we welcome tenants in our society, it is disheartening to see that most incidents relate to tenants. We expect tenants to live socially abiding by society citizen charter as laid down in society byelaws.  
Tenant guidelines may see some more amendments in future like KYC of brokers, guideline extension to EWS residents, etc
3. Smart Savana App has been rolled out finally. This is a game changer for strengthening security. Now, residents do receive notifications for vendor, visitors, helpers entering & exiting the society. This is being managed at two levels, one at Main gate of society & other at Tower entrance. Please see more on Smart Savana App as separate article in this newsletter.  
Best part about the App is that it is custom app & SWA has control over its customization. So, any feature that helps in strengthening our security would be implemented e.g. integrating CCTVs with App. I encourage residents to suggest such features & share their feedback. Feedback can be provided via 'FEED' tab in the App or via emails as well.

Am anxiously waiting for the day, when our society would have CCTV cameras installed across society. And guess what, same could be integrated with our Smart Savana App. Authorized surveillance team would be able to monitor society via CCTV cameras then. Even Tower CCTVs may be integrated with Smart Savana App and Tower collegium members or Tower residents may view CCTV view anytime & all the time.

4. SWA parking stickers rollout for 2-wheelers has already commenced. Unidentified 2-wheelers entering society are most threatening for Savana Residents. With this rollout, the identification of 2-wheelers as insider or outsider would be easier. One without stickers would need to make entry every time while entering society. Soon after this, 4-wheelers rollout would happen.
5. After rollout of stickers, parking management would be strictly implemented. Issues of parking should be sorted then & in-fact improved & streamlined then.
6. Porta cabin or police booth at Gate-1. This is another task where SWA is working pro-actively in consultation with BPTP police thana & others. A sponsor may be needed or SWA may have to spend to get the Porta cabin installed.

With this, I would like to thank JLL which managed security well on HOLI festival day. It may be interesting to note that many outsiders were not allowed inside our society from Gate-1 on this day, who were unable to specify where they wanted to visit & for what purpose. And, Gate-4 was closed till 4 pm. This way JLL avoided miscreants from entering our society.

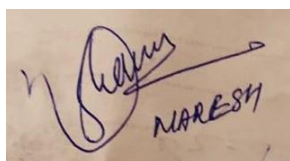

Strengthening security in society may bring slight inconvenience to residents. It is humble request that we cooperate with guards at main gate, guards at tower entrances & with parking guards.

Lastly, JLL brought to SWA notice about things that are damaging our drainage pipelines in basement & we were saddened to see same. Would request residents to read 'Sewage Lines' article in this newsletter.

Look forward for your continuous support in making Savana a secure place to live.

Stay safe, stay healthy!

Regards,

### 3. Sewage Lines

JLL has brought to the notice of SWA about various reasons that damage/block plumbing/kitchen/sewage pipelines lines in basement & elsewhere. Repeated procurement of extra material and repair of pumps ultimately increases cost of maintenance of drainage pipelines.

While JLL is doing their best on regular basis to sort sewage issues & cleaning of pipelines on periodical basis, there are certain civilized practices that we residents need to follow & keep in mind, as what to dispose and what not to dispose in drains/pipelines.

Jute mop (pocha), cloth pieces, empty plastic bottles (ujala etc), empty small medicine bottles, condoms, paper/cotton balls, soap wrappers, poly bags, small plastic balls/toys etc are things often blocking & damaging pipelines.

Following items must not be flushed via **Western Commode (WC)**:

- Pocha (Mop) wastewater
- Condoms
- Diapers, baby wipes
- Paper towels, cotton balls
- Cosmetics
- Soap wrappers, poly wrappers or poly bags, toothpaste tubes
- Medicine items like bandages, small empty plastic/glass bottles
- Hairs
- Cigarette butts
- Feminine hygiene products

Following items must never be pushed into the drain via **kitchen sink drain hole**:

- Fats, **Oils** & Grease
- Egg shells
- Seeds
- Bones

*“Residents must be responsible & educate their helpers, maids, kids and make them aware of things that should not be flushed in WC or pushed into the drain hole.”*

- Mr. Rajeev Khurana, General Secretary

It is also advised that drain hole covers are not loose & open, as seen in pic here. Such covers should be fixed. Kids play with items like small balls that may go inside such open drain holes.

Let us make Savana a better place to live!

## 4. Smart Savana App

### **INTRODUCTION**

'Smart Savana App' has been rolled out officially on 19-Mar-2021 for Savana residents. Residents may now download 'Smart Savana App' new version 5.14.

All unit residents (Owners & Tenants) can download. Currently, App is supported on Android OS phones. Expected roll out of App for Apple IOS Phone users : 15-Apr-2021

## 2/4-WHEELER STICKERS DISTRIBUTION

### Pre-requisites:

1. Resident would need to download Smart Savana App to raise request for 2/4-wheeler.
2. EMs/TMs need to ensure that Tower guard issues the stickers after updating details in App.
3. EMs/TMs should ensure that there is no deviation from the process of stickers distribution.

### Steps/Process to follow:

1. Open Smart Savana App > 'My Vehicle' > ADD VEHICLE > Bike
2. Residents (Owner / Tenant) fill the details as per RC:  
Name , Vehicle Number, Make
3. Submit for approval.
4. Request will go to EM, just to cross verify that the Residents are not filling unnecessary request.
5. Ideally only 2, two wheelers are allowed , in case of any exception they can take consent from EM.
6. Once EM approves the request , Residents can show their RC to tower guard and ask him to paste the sticker.
7. There is a unique serial number mentioned on top of every sticker. Resident has to make sure that Guard enters and maps the same number in your details.  
BLUE stickers - For OWNERS  
GREEN sticker - For TENANTS

*"Congratulations! 1300+ Savana residents including family members are using Smart Savana App now. 20 Tower guards are able to manage vendor/guesu entries using App." – Mr. Gaurav Bajpai, Vice President*

*"Smart Savana App is not just security App but holistic App. We are surely going to see amazing features being released in next 1 year, which residents would appreciate. Best part is, SWA governs & controls the App. We should move form paper management to digital management for quicker & safe approach." – Mr. Akashdeep Patel*

## 5. Covid Camp

### CAMP 1 – 25-MAR

SWA in coordination with हरियाणा सरकार स्वस्थ्य विभाग द्वारा covid 19 vaccination camp, 25-MAR & 03-APR को, RPS Savanna Sector 88, फरीदाबाद में आयोजित किया गया। 45 वर्ष से ऊपर के व्यक्ति इस कैंप का लाभ उठा सके। यह कैंप निशुल्क था। The camp was coordinated by डॉ सविता भूटानी, Medical Officer, UPHC BHIM BASTI, Sector 18, Faridabad.

The camp was a huge success with 200 residents getting vaccinated (covishield) on 25-Mar and with 260 residents vaccinated on 03-Apr. The camp has been appreciated by residents, one and all, and residents have requested for more such camps going ahead.

*“Today is a big day for us. It seems we are slowly coming out of the pandemic, which has claimed so many lives. We were in a state of depression for the last one year. From today, we will again relive our lives,”*  
- Mr. A D Sahu (SWA President) on covid camp organized on 25-Mar.

*“Thanks to TEAM for organizing & managing Covid vaccination camp. 260 doses on a single day on 03-Apr is a very good figure for our society”.* – Mr. Sunil Arora, T9, EM

Special thanks to Mr. A D Sahu, Mr. Manjith Singh, Mr. Naresh Sharma, Mr. Sunil Arora, Mr. Arvind Tiwari, Mr. Gaurav Bajpai & other volunteers.
